

# Muhammed Afrar

Full Stack Developer

## ABOUT ME

Experienced full stack developer with 4+ years of experience in front-end, back-end, and database design and management. Proficient in NextJs, React, Php, Redux Toolkit, React-Native, Postgresql, MongoDB, and NodeJs. Designed Logos and Posters for many clients for their social media as well as websites. Aside from my technical skills, I am also an effective communicator and a team player. I look forward to collaborating on innovative and impactful web applications in the future
